## Supporting Centre Algarve

Set in the beautiful [Ria Formosa Nature Reserve](#) and just 2 minutes from the pretty local village of Moncarapacho, The Centre Algarve is mainland Europe's only specialist holiday Centre which is fully equipped to allow people with special needs, young and old to experience a wonderful holiday with their family or carers.

They have created an environment where everybody feels comfortable, safe and secure within their wonderful grounds that are fully enclosed and gated. A magical and unique holiday centre where fun and memories are created. The Centre has 14 bedrooms keeping the experience intimate and not too overwhelming as with most large complexes. Whether you are relaxing by the pool or enjoying yourself within their private secure facilities, you will always be able to keep a watchful eye even whilst you relax and unwind in the evening with a glass of wine.

### Centre Algarve recipients of the Points of Light award

In a personal letter to the Centre Algarve, Prime Minister to the United Kingdom Theresa May said:

*"The 'Centre Algarve' you set up is supporting people with special needs and their families to be able to enjoy the experience of visiting a foreign culture in a safe environment.*

*Across the world British volunteers like you are helping to build a better world for everyone.*

*The Point of Light award is a small thank you on behalf of the whole country, in recognition of your exceptional service"*

Careful thought and design was given to providing a holiday centre that is fun and provides full and easy access to every part of the facility for wheel chairs and special equipment. All doorways are a minimum of 90cm wide and have no steps or thresholds that need to be negotiated. The swimming pool has an immersible hoist with flat tabled bed, enabling access to the water by fully controllable means. They can also offer fully electric hoist covered hygiene rooms with wet room and sit-down showers with grab handles.

The Centre Algarve has raised flower and vegetable beds in order that people in wheelchairs have the access needed to enjoy the touch, feel and smell of the plants.

### **Getting Involved**

The aim of the 24x7 Special Needs Holiday Trust is to raise funds to enable individuals and groups that could not normally have a holiday to holiday in surroundings that give people with special needs the confidence to travel abroad, often for the very first time.

All donations, big or small, are kindly welcome and every penny will go to helping people with special needs to holiday with their family or carers. There are a number of ways in which you can become a 'Friend of the Algarve', from Golf Tournaments to Sponsoring an Animal.

Click [here](#) to become a 'Friend of the Algarve'. Thank You.

**Donations can be made directly through  
the Centre Algarve's MyDonate Page**
