I would like to take this opportunity to thank our Sponsors as well as every one of you for supporting tonight's event, especially those companies who have so kindly purchased either tables or places. A special mention must go to our Headline Sponsor, **Restore Datashred**, as well as Craig Shepheard for providing the photography service.

I hope you have a great evening and remember this occasion for a long time to come!

Regards

Tonight's Line-up

There is an awesome line-up of professional boxing for your entertainment tonight!

Following your three course meal and successful bidding on luxurious auction items, sit back and enjoy four Bouts of Boxing. Each Bout will consist of a maximum of four rounds lasting three minutes each. A full description of each Fight follows.

Fight 1 - Super-Featherweight Division

Gelassius Taaru

Gelasius Taaru was born in Namibia but has lived most of his life in Reading. He made the perfect start to his pro career with two complete knock-outs. He made his debut at the Mayfair Sporting Club in January where he crushed his opponent in the very first round. Gelasius Taaru is a name to remember!

Qasim Hussain

Qasim 'Kas' Hussain from Sheffield has showed his metal on many occasions and did so again by stepping up to face Gelasius, after no fewer than six opponents withdrew from boxing this feared opponent.

Fight 2 - Welterweight Division

Tony Buttigieg

West Ham's Tony Buttigieg is trained by boxing mentor Barry Smith. An extremely popular fighter in the East End makes his second appearance as a professional fighter following an impressive winning debut at the world famous York Hall Arena in Bethnal Green.

Ibrar Riyaz

Ibrar Riyaz has a reputation on the UK pro-boxing circuit as one of the toughest men in the sport. He's been the distance with current British Champion, Tyrone Nurse and recent Commonwealth Title Challenger, Ben Jones. Ibrar is seen as a true test for any prospect.

Fight 3 - Super-Welterweight Division

KONRAD STEMPKOWSKI

Born in Poland but raised in Britain, Konrad Stempkowski has proved an exciting addition since joining the pro ranks last year. After winning his debut on a Channel 4 broadcast event, he went to Scunthorpe and upset the local favourite with a spectacular win.

LUKASZ KUC

Lukasz Kuc is from the successful 'Silesia Boxing' stable in Katowice, Poland. Lukasz is making his first appearance in a U.K. ring and his first bout at super-welterweight after campaigning at middleweight in the early part of his career.

Fight 4 - Super-Light Division

DYLAN DRAPER

Dylan Draper from Billericay, Essex experienced a baptism of fire when he made his professional debut against unbeaten Cornelius Ramaphala last month. A veteran of the unlicensed boxing scene, Dylan has now turned to the more conventional code of licensed boxing where his come-forward, pressure fighting approach is sure to win him a lot of fans.

ALI WYATT

Ali Wyatt returns to the Facilities Industry Charity Boxing Night Black Tie Dinner after causing an upset last year and he will be looking to have his hand raised again here! From Torquay, Ali has a swarming style backed up by a heavy left hook and has had a career that has seen him take some good scalps along the way.

Please note that information related to tonight's four bouts of boxing is accurate at time of printing.

Silent Auction

The Silent Auction will begin after dinner. Guests will have the chance to bid on a selection of luxurious lots and signed sports memorabilia through-out the Boxing.

A full list of items available as part of the Auction, the Auction List, can be found on the table. There is one List per place-setting and additional copies can be obtained from any of the organisers.

Why not treat your partner to a wonderful break away in the sun? Perhaps get the boys together for a round of golf or a day at the races? And all for a very good cause. The Silent Auction is in aid of our chosen charity Boxing Futures, with ALL profits going to a charity that uses non-contact Boxercise to reach into the local communities and positively engage with disadvantaged young people.

Please review the Auction List closely and bid generously!

Having very recognisable showroom cars racing bumper to bumper makes the sport very appealing and gives the BTCC a very popular Unique Selling Point.
