Celebrity Open

ThisWeekinFM (TWinFM), together with Clarion.Golf, are getting into the swing of things by taking the FM industry to the luscious fairways and immaculate greens of [Woburn Golf Club](#) for a golf event you'll never forget.

Enter your team now and join us for this once in a lifetime chance to play the Marquess' course at Woburn Golf Club.

There will be a chance to network as you play the golf course with dramatic views of the whole of Woburn Golf Club, set in 200 acres and overlapping the county boundary between Bedfordshire and Buckinghamshire. We will then retire to the clubhouse to freshen up before the awards dinner and further networking.

The ThisWeekinFM Celebrity Open will run in aid of the Centre Algarve – a holiday centre for those with special needs. All proceeds from a silent auction and a portion of the team sign-up fee will go to the charity.

About Woburn Golf Club

“In 1974, my late father had the foresight and courage to see that a world-class golf facility could be created at Woburn. He was inspired by the traditions of sportsmanship and courtesy he saw in the game of golf, values which he considered highly important.

“The first of Woburn's three courses, the Duke's Course, was opened in 1976 and this was followed in 1978 with the opening of the Duchess' Course.

“Former BBC Golf Commentator, the late Alex Hay came to Woburn as our Club Professional in 1978 and in 1985 was appointed as Managing Director. Together with my father, Alex was instrumental in the development and success of the club. They were also the driving force behind tournament golf coming to Woburn and in the creation of the Marquess' Course which opened in June 2000.

“As a family, it is our intention to continue their work for generations to come. We will strive to ensure their vision is delivered for the benefit of all those who are able to experience our three tournament hosting courses and enjoy our clubhouse facilities”

Andrew Bedford, 15th Duke of Bedford
President Woburn Golf Club

The Marquess' Course

The Marquess' Course, designed by Peter Alliss and Clive Clark, European Golf Design (Ross McMurray) and Alex Hay, opened in 2000. The course was named after the then Marquess of Tavistock and was soon referred to as the 'Jewel in the Crown'.

Set within 200 acres of mixed woodland the Marquess' course overlaps the county boundary dividing Bedfordshire and Buckinghamshire and presents a variety of rolling and undulating terrain. The predominant tree species are pine, spruce, sweet chestnut and oak, while there are a number of rare specimens such as Corsican pine, yew, rowan and beech.

Within a year of opening, the Marquess' Course hosted the first of two British Masters and the English Amateur Championship in 2011.

Since 2014 The Marquess' Course has been one of four courses in the country to be used to stage Final Qualifying for The Open Championship. In October 2015 The British Masters supported by Sky Sports was staged on the Marquess course and in July 2016 it staged The Ricoh Women's British Open.
